Please join Radiometer for a Champagne Reception at Chicago's Museum of Science and Industry as we launch a new era in point-of-care testing with the AQT90.

Bring a guest for fine food, fun drinks and novel entertainment. Following the reception, you are invited to browse selected Museum exhibits until 9:00 PM.

Wednesday, July 22, 2009
6:00 to 8:00 PM

We will provide transportation to and from the event. (See details on back of card.)

Henry Crown Space Center
Museum of Science and Industry
57th Street and Lake Shore Drive
Chicago, IL 60637

Please RSVP by June 30, 2009.

Fine food. Fun drinks. Novel entertainment.

We realize there are many demands on your time during your visit to Chicago, so we've packed a lot into this early evening reception. You'll drink, dine and be uniquely entertained while visiting a major Chicago landmark.

A special band of "ushers" will greet you at the Hyatt McCormick Place rendezvous and entertain you on the short ride to the Museum. There, they will escort you to the reception, where vibrantly draped tables will be set among the Space Center's celestial exhibits.

Our laboratory-themed reception will feature champagne cocktails and our signature "AQTinis" served by the Museum's professional mixologist, the infamous "Dr. Pour". Along with drinks, you will be treated to culinary sensations, all set to the mellow sounds of an acoustical guitarist.

Throughout the course of your evening, a series of engaging and interactive performances will amuse and entertain you. We guarantee, you won't see anything like it anywhere else in Chicago!

Leave the driving to us!

For your convenience, we will provide transportation to and from the Museum.

If you would like to be picked up from McCormick Place, please meet us at the main lobby entrance of the Hyatt between 5:15 and 5:45 PM on Wednesday, July 22, and look for the bus with the sign, “Radiometer Reception.” Or, we can arrange to pick you up at your hotel.

Return transportation to your hotel will be provided between 7:30 and 9:00 PM via continuous shuttles.

Please indicate your transportation needs on your RSVP card, and we will be happy to accommodate you.
